President's Corner

I am sure you have all seen and experienced our beautiful new windows! I have received many positive comments pointing out how well they fit in, how bright the Shul is, and how warm the Shul is (even though the outside temperature was less than 40 degrees!). I again express my deep Hakoras Hatov to all involved. In particular, Ariel Sadwin in his role as Director of the Agudath Israel Offices of the Mid-Atlantic was very helpful in assisting with navigation of the Federal, State, and local requirements.

At the time of this writing, only five windows (\$1000) and nine shades (\$500) remain to be dedicated. Please contact me, Avi Tannenbaum, or Alex Barron if interested. Time is running out!

We are in the process of procuring heating units for the bathrooms downstairs. If interested in dedicating this important capital improvement, please contact me.

Please reserve the date for our annual banquet dinner - January 22nd, 2012. I will share more information as the date approaches.

The Rav will be out of town from December 7-19 for his father's, A"H's yahrtzeit. He will return IY"H, on Erev Chanukah. I will send information regarding who to contact for Shailos via GAONS and post on the Rav's office door once arrangements are confirmed.

Have a Great Shabbos!
Binyomin
